CECCHI

BRUNELLO DI MONTALCINO DOCG 2020

Harvest notes: the 2020 growing season was characterized by low winter precipitation and a mild spring, which allowed for normal budbreak in late March and normal flowering in late May. The summer, which was mostly sunny and punctuated by sporadic rains, ensured good soil moisture reserves. The August heat accelerated ripening, while the rains at the end of the month and the subsequent drop in temperatures fostered an optimal daily temperature range. The grapes reached harvest with an excellent balance between sugar and acidity and remarkable aromatic potential.

Tasting notes: it has a ruby-red color with garnet highlights. On the nose, fresh citrus notes of blood orange and plum blend with balsamic and slightly toasty aromas. On the palate, it is harmonious and enveloping.

Pairings: excellent when paired with hearty dishes and perfect with all kinds of cheese and meat.

Number of bottles produced: 30.000
