TRENO DEL MARE
Toscana IGT Vermentino
2025

Vintage notes: the 2025 season in Tuscany was characterized by great balance. Spring, with abundant rainfall that ensured sufficient water resources for the following months, was followed by a cool summer with sporadic rains. June saw temperatures above the seasonal average, but rains in early July brought them back to a level consistent with milder summers. The 2025 harvest shows very good characteristics, with grapes that are excellent in terms of ripeness, fruitiness, acidity, and savory notes.

Tasting notes: Treno del Mare Vermentino expresses itself with unmistakable hints of succulent summer fruit, featuring ripe pulp and a fresh, fragrant style. Recommended pairings: Excellent with fish dishes, even elaborate ones, or as an aperitif.
